

**Cisco SMARTnet Three-for-Two Promotion:
More Coverage for Your Customers, More Profit for You.**

The Cisco Fast Track 2 program makes it easier for you to sell popular Cisco products. Now, through January 28, 2012, you can purchase three years of Cisco SMARTnet Service for the price of two years.

Cisco SMARTnet Service offers your customers fast, expert technical support, flexible hardware coverage, and smart, personalized assistance to help you resolve critical network issues. This service can also help reduce operating costs and protect important IT investments. This service offer gives you an opportunity to add new revenue, strengthen relationships with your customers, and provide a complete solution and peace of mind.
