

Make Your Own Promotion, \$50 Instant Rebate Promotion

We wanted to help make it easy to sell our 4x4 clamshell desktop thermal barcode printer, so you get a **\$50 instant rebate*** to run your own promotion...or use one of our promotion suggestions.

We created end user promotional flyers around the unique selling features of the Brother models TD-4000 desktop and TD-4100N network label printers so you can just pick a promo that fits your type of customers. Contact Brother Mobile Solutions for the end user promotional flyer artwork or if you have any questions.

The \$50 instant rebate promo runs for 3 months so you have the opportunity to run a different promo each month!

*\$50 instant rebate promotion is valid for models TD-4000 and TD-4100N to authorized Brother Mobile Solutions "At your side" reseller purchased between July 1, 2011 - September 30, 2011.
