Cisco SMARTnet Three-for-Two Promotion:

More Coverage for Your Customers,
More Profit for You.

Cisco SMARTnet Service provides:

- Next-business-day (NBD) hardware replacement (eight hours a day, five days a week [8x5])
- Global 24-hour access to Cisco Technical Assistance Center (TAC)
- Access to online knowledge base, communities, and tools
- Operating system software updates
- Smart, proactive diagnostics and real-time alerts on devices enabled with Cisco Smart Call Home

The Cisco® Fast Track 2 program makes it easier for you to sell popular Cisco products. Now, for a limited time only, you can purchase three years of Cisco SMARTnet® Service for the price of two years. Promotion starts on August 15, 2011, and ends on January 28, 2012. Available only from your local Cisco distributor.

Cisco SMARTnet Service offers your customers fast, expert technical support, flexible hardware coverage, and smart, personalized assistance to help you resolve critical network issues. This service can also help reduce operating costs and protect important IT investments. This service offer gives you an opportunity to add new revenue, strengthen relationships with your customers, and provide a complete solution and peace of mind.
