

Ingram Micro Swings into Action

September 1, 2009

Here at Ingram Micro, we're serious about our charitable contributions. We host and participate in casual days, special events, blood drives, walks and runs, and so much more. Our largest, and perhaps most anticipated events are definitely our annual charity golf tournaments.

Each year, these tournaments, organized and planned by our hard-working associates, raise thousands of dollars for local organizations.

The hot July and August months proved to be perfect for all three tournaments this year. Together, Buffalo, Santa Ana and Toronto had more than 450 registered golfers who all enjoyed a host of fun activities throughout their events.

Buffalo's 14th Annual Golf Classic

Held: Saturday, August 22, at The Links at Ivy Ridge

Golfers: 144

Funds raised: Approximately \$115,000

The event was amazing, partly because of the wonderful, not-too-hot, sunny weather, but mainly because everyone had a great time raising money for some great causes:

- National Center for Missing and Exploited Children (Buffalo Office) - \$30,000
- Brian Moorman's P.U.N.T. Foundation - \$25,000
- SABAH - \$20,000
- Summit Educational Resources - \$10,000

Mississauga's 19th Annual Associate Golf Tournament

Held: Sunday, August 16, at Loweville Golf Course in Milton, Ontario.

Golfers: 117 golfers participated, including sponsoring vendors and associates

Funds raised: \$2,800

Talk about a stroke of luck! This summer, southern Ontario, Canada was one of the coolest and rainiest seasons in nearly 40 years. The area averaged almost 2 degrees cooler and received more than 8 inches of rain from July 1 to August 16! As luck would have it, the weather on Sunday, August 16 was 88 degrees with lots of sun!

Golfers enjoyed a full day of golf, followed by dinner and a raffle for charity. CAD \$2,800 was raised and donated to the United Way and The Canadian Lung Association.

Santa Ana's 16th Annual Golf Classic

Held: Saturday, July 25 at Tustin Ranch Golf Club

Golfers: 128 golfers

Funds raised: Over \$100,000

The event tee'd off at 7:30 a.m. on a sunny, summer day in July and ended with a wonderful banquet where Master of Ceremonies Ken Bast, vice president, Vendor Management, handed out awards to five charities who received checks for \$15,000 each:

- Boys and Girls Club of Tustin
- Community/SeniorServ
- Down Syndrome Association
- Project Cuddle
- TACA (Talk About Curing Autism)
