

Dolphin 7850 Price Promotion Blowout!

The Dolphin 7850 mobile computer is purpose-built for scan-intensive, in-premise retail and warehousing applications. Featuring user-focused ergonomics and rugged industrial-grade construction, the 7850 wireless computer is designed to increase productivity and maximize your return on investment. **Resellers that purchase any of these select SKUs between July 20, 2009 and September 30, 2009 will receive the promotional pricing at time of purchase.** Refer to the rules and regulations for more information. Purchase the 7850 today and take advantage of the price promotion of the year.

Rules & Regulations

- This promotion is valid from July 20 and September 30, 2009 and is valid only on sales orders placed and shipped during this time period. All Resellers are eligible to participate.
- All promotion pricing is in USD.
- Orders must be identified and registered with a Honeywell sales person between July 20 and September 30, 2009.
- Valid for product sales in the US and Canada only.
- Eligible participants are authorized distributors and all resellers
- Only standard and stocking products set forth in the list below are included.
- Direct purchases from Honeywell other than those from a distributor will receive the promotional price at the time of order entry.
- Distributor will receive credit for the promotional price via monthly POS reporting
- Resellers will receive promotional price at the time of purchase.
- Custom Products and Software products are excluded.
- Promotional price is not valid on any order where a price exception has already been granted.
- The promotion is not valid with any other promotions.
- Honeywell has the right to change, cancel, modify or end this promotion without prior notice.
- All credit claims must be made within 60 days of the last day of the promotion. Standard payment terms and all other standard terms and conditions apply.
- Eligible resellers will receive special pricing on the following SKUS:

SKU	Description	Price	Reseller Price
7850B0-A1-3110E 7850B0-A2-3110E	7850/312MHz/Batch/Imager	\$980	\$550
7850L0-A1-3110E 7850L0-A2-3110E	7850/312MHz/WLAN/Imager	\$1050	\$650
7850LP-A1-3110E 7850LP-A2-3110E	7850/312MHz/WLAN/BT/Imager	\$1200	\$700

Note:

- Quantities are limited. Pricing and shipping will be honored while supplies last.
- The special pricing applies to the 7850 terminals only and does not apply to peripherals.
- Laser scanning and high memory (128MB) options do not apply.
- Special pricing can not be applied to 7850 520MHz SKUs during the promotional period or while inventory of 312MHz exists. Special pricing does not apply to current custom SKUs or open orders.
- The above SKUs represent standard Value SKUs that are currently released and offered for sale in our price guide. Different imager engines (5300 SR, SF, HD) can be substituted for specific use case requirements.
