

Motorola Programs

Take Advantage of PartnerSelect

As a member of the PartnerSelect Program, you can take advantage of a wide range of tools and resources to profitably build and differentiate your business:

- Access to the Motorola Enterprise Mobility product portfolio
- Training and certification programs
- Marketing tools
- Business development support
- Web sites
- Leasing options
- Service and support
- And much more . . .

Rely on the PartnerSelect Program to get to market faster and more profitably and build the sales volume that sustains long-term success. To learn more about the PartnerSelect Program, contact one of the dedicated Motorola Ingram Micro resources below.

More Details available at: http://www.symbol.com/partner/partner_select/partner_select.html
