<p><b>Notice to Vendors</b></p> <ol style="list-style-type: none"> <li>1. Massachusetts General Laws assume that all gross receipts of a vendor from the sale of tangible personal property and services are from sales subject to tax, unless the contrary is established. The burden of proving that a sale of tangible personal property or service by any vendor is not a retail sale is placed upon the vendor unless he/she accepts from the purchaser a certificate declaring that the property or service is purchased for resale.</li> <li>2. A resale certificate relieves the vendor from the burden of proof only if it is taken in good faith from a purchaser who is engaged in the business of selling tangible property or services and who holds a valid Massachusetts sales tax registration.</li> <li>3. The good faith of the vendor will be questioned if he/she has knowledge of facts which give rise to a reasonable inference that the purchaser does not intend to resell the property or services. For example, knowledge that a purchaser of particular merchandise is not engaged in the business of selling the kind of merchandise or service he/she is purchasing under this certificate would constitute ground to question the good faith of the vendor.</li> <li>4. The vendor must make sure that the certificate is filled out properly and signed before accepting it.</li> <li>5. The vendor must retain this certificate as part of his/her permanent tax records.</li> </ol> <p>If you have any questions about the acceptance or use of this certificate, please contact:  <b>Massachusetts Department of Revenue</b>  <b>Taxpayer Assistance Bureau - Sales Tax Unit</b>  <b>P.O. This certificate must also indicate the type of tangible personal property purchased and resold by the purchaser.</li> <li>4.
