Failure to give such notice within such time shall be deemed an acceptance of the Products as of the date of shipment. If the approval of any government or governing organization is required with respect to these terms and conditions or the distribution of the Products including without limitation, giving legal effect to these terms and conditions, protecting intellectual property and other rights in the Products or compliance with exchange regulations, Purchaser will, at its expense, immediately take whatever steps may be necessary to secure such approvals. 4. CREDIT AND PAYMENT TERMS

Purchaser shall furnish to Ingram Micro all financial information reasonably requested by Ingram Micro from time to time for the purpose of establishing or continuing Purchaser's credit limit. Purchaser shall promptly notify Ingram Micro of all changes to Purchaser's name, address, or of the sale of substantially all of its assets. Ingram Micro shall have the right from time to time, without notice, to change or revoke Purchaser's credit limit on the basis of changes in Ingram Micro's credit policies or Purchaser's financial condition and/or payment record. Purchaser shall not deduct any amounts owing from any Ingram Micro invoice without Ingram Micro's express written approval, which approval shall be contingent upon Purchaser providing all supporting documentation for such deduction as required by Ingram Micro. A service charge of the lesser of one and one-half percent (1 ½%) per month or the maximum amount allowed by law will be charged on all past due balances commencing on the date payment is due. Credit cards (MasterCard, VISA and Discover Card) will only be accepted at the time of order. No cash payments will be accepted. If Purchaser fails to make timely payment of any amount invoiced hereunder, Ingram Micro shall have the right, in addition to any and all other rights and remedies available to Ingram Micro at law or in equity, to immediately revoke any or all credit extended, to delay or cancel future deliveries and/or to reduce or cancel any or all quantity discounts extended to Purchaser. Purchaser shall pay all costs of collection including reasonable attorneys' fees. Any obligation of Ingram Micro under these terms and conditions to deliver Products on credit terms shall terminate without notice if Purchaser files a voluntary petition under a bankruptcy statute, or makes an assignment for the benefit of creditors, or if an involuntary petition under a bankruptcy statute is filed against Purchaser, or if a receiver or trustee is appointed to take possession of the assets of Purchaser.

7. PRODUCT RETURNS

A. Requirements - Purchaser must obtain a valid Return Material Authorization ("RMA") number from Ingram Micro for all returns. RMAs will be issued, at Ingram Micro's sole discretion, in accordance with these terms and conditions. Purchaser must provide its account number and all other information as required by Ingram Micro for all returns. RMAs are valid for twenty (20) calendar days from the date of issuance. Purchaser must allow for in-transit time for Products to be returned to Ingram Micro, as Ingram Micro must physically receive Products within the twenty (20) calendar days.

RMAs will be issued for authorized returns under one of the following categories: (i) defective Products, (ii) stock balancing, (iii) billing or shipping discrepancies, or (iv) damaged Product. Purchaser is responsible for ensuring that the RMA number is clearly visible on the address label of the Product packaging when it is returned to Ingram Micro. Ingram Micro will refuse delivery of any boxes without a valid, clearly visible RMA number as noted above. Overgoods are unauthorized returns. Any Products received by Ingram Micro (i) without a valid RMA number, including Product shipments refused by Purchaser or Purchaser's customer except those damaged in transit from Ingram Micro to Purchaser or from Ingram Micro to Purchaser's customer, (ii) later than twenty calendar (20) days from the RMA date, or (iii) in a condition unsuitable for resale (excluding defective Products), will be considered Overgoods. Ingram Micro will return Overgoods to Purchaser or Purchaser's customer, and will charge Purchaser a \$50 processing fee per shipment plus related freight charges. If Purchaser refuses the shipment of Overgoods from Ingram Micro or returns the Overgoods to Ingram Micro a second time without Ingram Micro's prior authorization, Purchaser agrees to relinquish all right and title to and waives all claims against Ingram Micro for credit related to such Products. Notwithstanding anything to the contrary, Ingram Micro reserves the right not to authorize the return of Products that are no longer in production or are being produced or published by a manufacturer or publisher that (i) is insolvent, (ii) has declared bankruptcy, or (iii) will not accept returns from Ingram Micro.

B. Defective Product Returns - Defective returns are only for Products purchased from Ingram Micro that are inoperable or do not function in accordance with the specifications published by the manufacturer or publisher and are covered under the manufacturer's or publisher's warranty. All defective returns are subject to more restrictive manufacturer or publisher policies. Purchaser may request an RMA for the return of defective Products, excluding Special Order Products, within forty-five (45) calendar days of invoice date. Purchaser's defective returns will be limited to a maximum of 15% of the value of Purchaser's Product purchases within the same vendor code as the defective Product during the forty-five (45) calendar days prior to the RMA date, less any prior defective returns during that period. Upon receipt of the defective Product for which the RMA was issued, Ingram Micro may test the Products and may return to Purchaser, at Purchaser's expense, any Products found not to be defective. Upon verification that the returned Product is defective, Ingram Micro may, at Ingram Micro's sole discretion, either (i) ship Purchaser a replacement Product, or (ii) provide Purchaser a credit equal to the lesser of the Product's invoice price or current replacement value less any applicable charges or fees. Ingram Micro reserves the right to require Purchaser to return defective Products directly to the manufacturer or publisher for replacement according to its defective Products return policy. Ingram Micro shall not be obligated to repair, replace, or issue credit to Purchaser for Products rendered defective, in whole or in part, by causes external to the Products, including, but not limited to, catastrophe, power failure or transients, overvoltage on interface, environment extremes, improper use, maintenance or application of the Products or use of unauthorized parts. Purchaser shall bear all risks of loss when returning defective Products.

C. Stock Balance Returns - Stock balance returns are only for Products purchased from Ingram Micro that are unopened and unused and can be re-sold as new. All stock balance Products returned must be in the manufacturer's original packaging and in condition suitable for resale including, but not limited to, without price tags or stickers or additional shrink wrapping, clean, undamaged and complete ("Stock Balance Condition"). All stock balance returns are subject to more restrictive manufacturer or publisher policies. Purchaser may request an RMA for the return of Products in Stock Balance Condition, except for Special Order Products, within ninety (90) calendar days of invoice date. Purchaser's stock balance returns will be limited to a maximum of 15% of the value of Purchaser's Product purchases within the same vendor code as the Product to be returned during the ninety (90) calendar days prior to the RMA date, less any prior stock balance returns during that period. Upon receipt of the Product for which the RMA was issued, Ingram Micro will verify the condition of the Product. Any Products that are not in Stock Balance Condition will be considered Overgoods. Ingram Micro will return Overgoods to Purchaser and will charge Purchaser a \$50 processing fee per shipment returned to Purchaser plus related freight charges. Additional fees may apply to returned Products; e.g., re-box, label removal, re-shrink, etc., that are not in Stock Balance Condition. Upon verification that the returned Product is in Stock Balance Condition, Ingram Micro will issue a credit to Purchaser equal to the lesser of the Product's invoice price or current replacement value less any applicable charges or fees. If Ingram Micro elects to restore returned Product to Stock Balance Condition instead of returning it to Purchaser, the credit to Purchaser will be net of Ingram Micro's costs to return the Product to Stock Balance Condition. Purchaser shall pay all costs and bear all risks of loss when returning Products to Ingram Micro.

D. Damaged Product Returns - Damaged Product returns are only for Products purchased from Ingram Micro and shipped via Ingram Micro's carrier of choice that are damaged in transit from Ingram Micro to the Purchaser or from Ingram Micro to the Purchaser's customer. Purchaser or Purchaser's customer shall refuse any Product delivered in damaged condition. If the Product is received in damaged condition, Purchaser shall notify Ingram Micro and request an RMA within three (3) business days of receipt of such Product. Failure to notify Ingram Micro and request an RMA within such time shall be deemed an acceptance of the Product as of the date of shipment.

8. BILLING AND SHIPPING DISCREPANCIES

Billing and shipping discrepancies are for Products purchased from Ingram Micro that were invoiced or shipped incorrectly. These include lost shipments, short shipments, wrong sales, wrong shipments and pricing/invoice errors. Purchaser may request an RMA for verified billing and shipping discrepancies within thirty (30) calendar days of invoice date. In addition, Purchaser must notify Ingram Micro of any billing discrepancies related to Purchaser's authorized

returns within ninety (90) calendar days of RMA date. Such notice shall be reasonably detailed and shall specify the discrepancy. Failure to give such notice within the time specified herein shall be deemed a waiver of Purchaser's rights to claim such discrepancy.

9. PATENT AND TRADEMARK INDEMNITY

INGRAM MICRO SHALL HAVE NO DUTY TO DEFEND, INDEMNIFY, OR HOLD HARMLESS PURCHASER FROM AND AGAINST ANY OR ALL DAMAGES AND COST INCURRED BY PURCHASER ARISING FROM THE INFRINGEMENT OF PATENTS OR TRADEMARKS OR THE VIOLATION OF COPYRIGHTS BY PRODUCTS.

10. LIMITATION OF LIABILITY
