

ENABLING YOUR BUSINESS
ISN'T THE ONLY THING,

IT'S EVERYTHING.

WELL,
LET'S NOT
FORGET
CAFFEINE.

AND INGRAM MICRO HAS EVERYTHING IT TAKES TO MAKE IT HAPPEN.

We bring together all of our expertise and resources to deliver technology solutions to address every business requirement. No challenge is too big. No goal too ambitious. So go ahead, think big. And leave the execution to us.

COMPLETE DISTRIBUTION SOLUTIONS

DESIGN: systems designed to spec, assuring complete compatibility

BUILD: customized to specific business requirements

ASSEMBLE: best-in-class and highly advanced systems to meet all qualifications

Pre-sale: We give you all the resources you need to land the project—and improve customer satisfaction once you do.

- On-site design, road mapping, supplier interface and custom design
- Best-in-class and most secure processes in the industry
- Free up cash on-hand—aggressive pricing and flexible financing options
- Experience, leverage broad range of expertise
- Global logistics, program management, contracts, agreements and regulatory compliance

Support: From installation and configuration to monitoring, maintenance and troubleshooting, count on us to make sure things run smoothly.

- BOM creation, compatibility, PCN/EOL, third-party validation
- Validation: HALT/HASS, app validation, EOL testing, scripting, fail analysis, RMA, field failures
- Hardware/software: risk and latent failure testing

Sustaining: We're with you for the long-term, throughout the sales lifecycle.

- Ongoing forecast management, scheduling, ECO management, reporting and business reviews
- Order fulfillment, warehousing/inventory
- Warehouse/inventory management, DFM, production support, and first article and prototyping

To learn more, connect with Ingram Micro Integrated Solutions and find out how we can help fuel your business.

“Ingram Micro can build these things for us—and we have no inventory, no stuff sitting on our shelves. This has also freed up our cash flow, which was a real game changer for us.”

—Josh Minney,
CEO, LumaForge
