YOU'RE A
ONE-IN-A-MILLION
ENTREPRENEUR—
WITH 10 MILLION
HURDLES TO LEAP.

YOUR NEXT MOVE? INGRAM MICRO INTEGRATION CENTER.

“Impossible” is not a word spoken here. Neither is “status quo.”
Only words and actions that amplify your ambitions are allowed.
We’re all about enabling, scaling, and accelerating your business.
We eliminate the hurdles and give you a fast track to reach new heights.

Our state-of-the-art R&D and production facility offers the industry’s most efficient, cost-effective and secure processes—to deliver a complete custom solution:

- Design
- Build
- Assemble
- Hardware and software integration
- Diagnostic and functional testing
- Global logistics and compliance
- ANSI/ESD S20:20 standard, ISO 9001:2015 certified and CFIUS compliant
- Lean Six Sigma and 5S methodologies
- Dust-free work area and static-free environment
